KEEP RIVERDALE BEAUTIFUL RECEIVES GOVERNOR'S CIRCLE RECOGNITION

Organization honored for its efforts to protect and improve local environment.

[Riverdale, GA, April 26, 2023 – Keep Riverdale Beautiful] recently received a 2022 Governor's Circle Award for its outstanding achievements in community beautification and environmental sustainability. The Keep Georgia Beautiful Foundation (KGBF) presented the award in recognition of exemplary performance in litter reduction, waste minimization, and community greening.

To qualify for the Governor's Circle Award, affiliates must be certified and in good standing with Keep America Beautiful (KAB), the national nonprofit that oversees state and local programming. Additionally, the affiliate must be an active member of the KGBF network. Certified KAB affiliates are required to effect meaningful, positive, and lasting change by directly addressing community needs in the areas of litter prevention, recycling, waste reduction, and beautification.

"As a network, we strive to make clean, green, and beautiful spaces accessible to everyone," said Natalie Johnston-Russell, executive director of the Keep Georgia Beautiful Foundation. "The recipients of this award have dedicated themselves to making that goal a reality, and we're thrilled to recognize them for their efforts."

"I'm truly humble to receive the award on behalf of KRB. However, this award is for all the volunteers (Atlanta Gas Light, Clayton County Public Schools, local businesses and concerned citizens) that have assisted to keep our Riverdale community clean and beautiful. Our work doesn't stop here. There is still work to be done and I look forward to not only maintaining the current partnerships but to also increasing our partnerships with more local businesses."
Executive Director of Keep Riverdale Beautiful.
