## **Riverdale Mayor and Council Celebrate Grand Re-opening of Playground and Wilson Rd**

**Riverdale, GEORGIA, August 7, 2023** – Recently, Riverdale Mayor Evelyn Wynn-Dixon, City Manager E. Scott Wood, and the Riverdale City Council cut the ribbon commemorating the grand re-opening of the Riverdale Regional Park playground and the Wilson Road improvements projects. The ribbon cutting marks the conclusion of the months long project to expand Wilson Road and renovate the playground area.

Wilson Road was expanded from a one lane road to a road featuring two lanes, a sidewalk from end to end, and three stamped concrete crosswalks. The wider road will better support sporting event traffic and ensure access for safety vehicles.

The playground improvements were planned by the Keep Riverdale Beautiful Coordinator, Nancy Howard. Additions to the playground include awnings over towers for shaded play, a solar system, bongos, and two shaded seating areas. The projects were funded by SPLOST and a CDBG grant.
